KEYINGHAM VILLAGE PLAN STEERING COMMITTEE

Editorial

It is with mixed feelings that I write this editorial. The turmoil over the summer caused by the momentous rise in the cost of living, was overshadowed during the last two weeks by the death of her majesty Queen Elizabeth II. I am hearted by the way that the people of our country and parish have behaved during this time. It is amazing to me that we can with civility change not only the person in political power, but also the head of our country without resorting to coups. It is some thing that makes me feel very proud to be British.

I have been alive for all of the Queens reign I can just remember the coronation is 1953.

I am sad that her reign is now over and wish King Charles III success in the role he has now assumed.

We must however keep in mind that the problems that people in our community are suffering from have not gone away.

The cost of living increases have affected

us all. It has also had a knock on effect on businesses as people have less to spend.

This can be seen in our village hall, which is also facing huge increases in energy prices, while suffering a decrease in the number of events taking place.

At the annual general meeting of the village hall committee (report on page 4) it was shown that the present income does not meet the fixed expenditure.

The village hall committee are working hard to ensure that the Hall remains open and an available asset for the Parish.

Your help is required, either in supporting the events which take place in the Hall or in fresh ideas for events which can bring revenue into the hall.

So the slogan is: Support the Village Hall

Use it or Lose it

Parish Council Round Up August & September

Road Safety in Keyingham

At the July meeting of the Council members of the public joined with Parish Council members in exploring the possible options for improving the safety of the road crossing. Highways Engineers and Ward Councillor Claire Holmes responded to questions and challenges regarding the proposals and explained the options available.

Following extensive discussion between the Parish Council and ERYC Officers, it was agreed that the Parish Council would vote on the proposal at the August meeting in order to ensure that, if accepted, the works would proceed as part of the plan of works for the current financial year. The proposal, which can be viewed via the Parish Council website, incorporates road markings, lighting, signage and physical barriers to direct pedestrians towards the crossing and to prevent parking close to the crossing.

At the August meeting the Parish Council voted to adopt the proposal put forward by ERYC Traffic Management Team. We have not yet been informed when the work is due to commence and will post updates as and when we receive them. Please check the website for updates.

Council Vacancies – Filled

At the August meeting of the PC Councillors voted to elect candidates to fill the three vacancies. New members joining the Parish Council are:

Ashleigh Crawford
David Kinnear
Deborah Miller

Congratulations and a very warm welcome to our new Councillors and sincere thanks to everyone who put themselves forward to serve their community.

Antisocial Behaviour on the Village Green

Whilst there has been slightly fewer incidents of antisocial behaviour around the Village Green lately, sadly this problem persists and is going to require support and action from a range of agencies to help us tackle it.

Councillors have recently met with the Antisocial Behaviour Team of ERYC who have conducted a survey of the area and made recommendations regarding:

Reducing shrubs and bushes
Increased lighting
CCTV surveillance

The Parish Council is in the process of investigating sources of funding for additional lighting, CCTV cameras and other deterrents.

Remembrance Sunday

In anticipation of remembrance Sunday approaching Councillors discussed the arrangements for November 2022. It was agreed that observing remembrance in the Church Grounds at St Nicholas Church last year had been a well-received and provided a fitting tribute to those who had served, so it was agreed that the event would take place in the church grounds again this year. St Nicholas Church wardens asked us to note the difficulty in providing ministers to officiate at events across the benefice of churches and that timings may need to be adjusted to accommodate this.

Exact Details of the Remembrance event will be confirmed closer to the time and will be posted around the village and on the website.

HM Queen Elizabeth II

Since the last meeting the Parish Council, together with communities across the world, have mourned the loss of our Queen. A note of condolence was offered on behalf of the Parish Council by our Chairman, giving thanks for her life and devoted service.

The next scheduled meeting of the PC is 7.00pm on Tuesday 18th October 2022 in Keyingham Village Hall (Main Hall)

Public participation is always welcome.

The confirmed minutes of Parish Council meetings are posted on the PC website:

Village Hall Report

On Wednesday 24th August the village hall had its first village weekly community Coffee morning to help to raise some much needed funds for the village hall.

The first coffee morning was a great success and we were really pleased with the amount raised of £25. The following 3 weeks brought in £50, £75 and £91. The book stall is also very popular bringing in around £15.00 to date. The coffee morning is open to everyone, there is a lovely community atmosphere, come along for a chat. Make new friends. All the cakes on offer are home made for £2.00 you can enjoy tea/coffee and cake. Some weeks there will be a special, we've had fruit pie and cream which is £1.50.

Wednesday mornings 10 am to 11.30 am

Wednesday 21st September 7 pm to 9 pm sees the launch of the board games evening - old fashioned board games, again in the village hall. We have a few games already in the collection to start us off but are always on the lookout for donations. Examples of games: Monopoly, Scrabble, Boggle, Snakes and ladders. Chess, ludo, Draughts, mastermind, alpha animals, Charlie & the chocolate factory and more. The cost is £2.00 per person, tea and biscuits will be available. Again all proceeds go to the village hall.

Come along and have some fun.

Another exciting club which we hope to get started is archery. A gentleman in the village is willing to give his time voluntarily to lead the group. A taster session will be held on Tuesday 4th October at 7 pm where you can come along, chat to Roger, tell him what you'd like. He is quite happy to start a beginner/junior class to a more advanced class. The cost will be £3.00. again this is a club solely for the village hall, all proceeds towards the upkeep.

Humber and North Yorkshire Health and Care Partnership

Since the first COVID-19 vaccine was given, it has saved lives, helped tens of thousands of people stay out of hospital, and made it safer for us to live with COVID. But the virus is still with us and is still making people very ill every day.

And, as we head into winter, flu presents further dangers. For most people flu is unpleasant, for some it can be very dangerous and even life-threatening, particularly those with certain health conditions. The flu vaccine is the best protection against getting seriously ill from flu and spreading it to other people.

Getting your flu and COVID vaccines are two of the most important things you can do to keep yourself and others around you safe this winter.

Experts advise that those at greater risk will need extra protection this winter. For Covid-19 and flu, everyone aged 50 and over, people with certain health conditions that put them at risk and frontline health and care staff will be offered a vaccine. To protect against flu, additional groups most at risk of getting seriously ill from flu or of passing it on to others, such as pregnant women, young children, primary school aged and some secondary school aged children will be offered protection. COVID-19 and flu can be serious for these groups and getting both COVID-19

and flu at the same time increases risk.

The COVID-19 autumn / winter programme is well under way for those at greatest risk. It is important people who are eligible come forward as soon as possible when it's their turn, for extra protection ahead of winter, when viruses circulate most and can cause greatest harm.

The NHS will let people know when it is their turn to come forward for their COVID-19 vaccine and more information is available on the [NHS website](#). Once invited, people can look on the dedicated vaccinate Hull and East Riding website www.vaccinatehullandeastriding.co.uk to see where in their local area vaccinations are available and then book a confirmed appointment using the [National Booking Service](#) or by calling 119.

The COVID-19 and the flu vaccine can be given on the same day and some people might get both vaccines at the same time. However, this may not always be possible, so we encourage everybody to get each vaccination as soon as they can, rather than waiting to get both at the same time.

Please help to keep yourself and those around you safe against these viruses by getting vaccinated when you are invited. You can find out more about what vaccinations you may need, and information about how to book an appointment, by visiting www.nhs.uk/flujab and

www.nhs.uk/covid-vaccine.

As the nights draw in, now is the time to think of those in the village who may need help. If you know any villagers who are old, frail or on their own you may think about checking that they are well and do not need any help.

Local Information from Police website

Humberside Police recognise that young people have a vital part to play within their local community and are looking to recruit young adults to join our Youth Independent Advisory Group (YIAG) with our next meeting scheduled for Wednesday 28th September 2022.

YIAG members work closely with the police and advise us in creating a genuine working relationship with young people.

If you are aged between 15-24 years or know somebody who is and want to know more about the YIAG, contact us via:

spoccommunitysafety@humberside.pnn.police.uk

St Nicholas Church News

Saturday September 3rd saw St Nicholas church inundated with a fabulous assortment of 4 legged friends - our first dog show, going by the success it won't be our last. The sun shone, It couldn't have been a more perfect day. What fun we had. Thank you to all the gorgeous well behaved dogs who brought their owners along, thanks to you we made £230.00 towards the kitchen and toilet fund.

A big thank you goes to our wonderful judge Alice who must have had a really hard time choosing the winners, but in the end every dog got a rosette.

Our next big event is the harvest festival communion service, which we are combining with harvest

messy church. This service will start at the earlier time of 9.30. Everyone is welcome to join us. A harvest buffet lunch will be provided.

On the 15th October 1.30 we are holding a beetle drive in the village hall with afternoon tea, come and spend a joyful afternoon having fun with friends. Again everyone is welcome, children, mums, dad's, families, poster's with more details will be displayed soon. This event is to go to the St Nicholas Church kitchen and toilet fund.

November 19th craft fayre village hall

December 4th 10.30 messy church

December 11th 4.00pm carol's around the Christmas tree/Nativity

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.
